Read this text carefully: My friend Peter

My friend, Peter, is English. He is tall with blond hair and blue eyes. He is from Manchester, but he lives in Spain. He teaches English at a language school in Valencia. He loves teaching English but he works a lot of hours every day. He is married to an American woman. Her name is Mary and they've got a little boy. His name is George. They live in a sunny big flat near the beach. Peter and Mary haven't got a car but they have got motorbikes. Peter takes George to his school every morning on his motorbike. Peter likes music very much. He likes listening to classical music and playing the piano. He is also a great tennis player and he plays for an hour every day in a sports club.

He enjoys living in Valencia very much because it's a lively city with a lot of museums and very interesting places to visit. Although he misses his family from Manchester he travels three or four times a year because these flights are cheap from Valencia.
