Elvis Presley was a famous American singer, musician and actor. He is considered one of the most popular American singers of all times, "The King of Rock and Roll".

Elvis was born in Tupelo, Mississippi, on 8th January 1935. His parents were very young, his mother was twenty-two years old and his father was eighteen. Elvis Presley's family was very poor. When he was a child, he sang in church and he listened to music that influenced his singing: country, rhythm and blues and gospel. On his eleventh birthday, his mother bought him a guitar. In 1948, Elvis and his parents moved to Memphis.

In 1956, he recorded his first number-one hit in the US: "Heartbreak Hotel" and made his first movie "Love me Tender". He became very successful but his career was interrupted in 1958 by his military service in Germany. During his two-year military service, his mother died at the age of forty-six and he met Priscilla, a fourteen-year-old girl. She was the daughter of an Army officer.

Elvis returned to the United States in 1960 and continued with his successful career as a singer and an actor. Elvis and Priscilla married in 1967. They had a daughter called Lisa Marie in February 1968 but they divorced in 1973.

Elvis suffered from depression, excessive weight and barbiturate addiction. At the age of forty-two, he died from a heart attack. During his twenty-year career, he made 29 movies and recorded 107 hits. His voice and his style are unique. Fans from around the world continue to buy his music and to visit his home, Graceland, in Memphis every year.
