I had my best holiday experience two years ago. It was Christmas, my wife and I went to Sydney for three weeks. We travelled by plane. It was a long flight from London to Sydney, about 27 hours long. There was only one stop at Dubai International Airport for two hours. We flew with Qantas, the Australian airline. When we arrived in Sydney, it was hot because it was summer. Summer in Australia is from 1 December to 28 February.

We stayed in a hotel near Sydney's most popular beach: Bondi Beach. The hotel room had beautiful views of the beach. There were always a lot of surfers. On Christmas day, we had a picnic on the beach. It is an Australian tradition. On New Year's Eve, we were at Sydney's **Harbour** to watch the midnight **fireworks**.

We went to the OpenAir Cinema and watched a movie; there was a wonderful view of the Harbour Bridge and the Opera House. We saw kangaroos, koalas and other Australian animals at Taronga Zoo. We went on a one-day trip to the Blue Mountains National Park, 80 kms west of Sydney. The name "Blue Mountains" comes from the natural blue colour created by the eucalypt forests. We saw an Aboriginal musical performance with the traditional didgeridoo instrument. This ancient Aboriginal musical instrument has unique, penetrating sounds. During our holiday, it was great to meet Australian people and tourists of different nationalities.

The last day, we bought some souvenirs for our family and friends: boomerangs, T-shirts, mugs... When we arrived in London, it was winter again! It surely was an incredible experience we will never forget.
