1. Read the text and match the bold and underlined words with their meanings: (1 point)

Can you cook?

This **teenager** can – and his mum’s very happy with him

Tom is like any other teenager. He goes to school, does his **homework**, meets his friends and enjoys doing sport.

But between 5.30 and 6.30 from Monday to Friday, Tom does something different. He cooks dinner for all the family: mum, dad, younger brother Joe and older sister Emma.

Tom’s mum says: "I think it’s important for teenagers to learn how to cook. **Maths** and English are important, of course, but they need other skills too to help them in today’s world.

First I taught Tom how to cook easy meals like pizza or egg and **chips**. Then he started using recipes in my cookery books. Yesterday he made vegetable soup. It was very good!"

Tom says: "I love cooking and I think I’m really good at it. None of my friends cook. I don’t know why, it isn’t **difficult** and it’s great fun!"

In the past, Tom didn’t help out at home and his mum wasn’t very happy with him. Today, things are different and she is very happy.
