Read the following text, and then answer the text in about *sixty* words. You have to send a text message replying and suggesting an alternative date or proposing another restaurant.

Hi!

I talked to the catering manager and he wrote that they could not do the vegetarian option for next week's event, but they could manage to do it for the 25th of May. What do you suggest? Should we go without the vegetarian option with the same date? Do you want to keep the vegetarian option but with the alternative date? Could text me back as soon as possible?
